- Performed necessary tasks for daily business: preparation of frequently dispensed items; a task involving fine motor skills and attention to detail, practiced proper etiquette during in-person and phone interactions.
- Recognized for loyalty and service being in the 36% of GSRs to stay with the location for at least one year.

---

## PROJECT EXPERIENCE

**Writing and Revising a Science-Fiction Novel:**

- Working on a Science fiction novel aimed at young adults planned to be 200+ pages that is plausibly rooted in the fall of the cold war and the response to shifting power balances. Set near the end of the 2000's it follows a web of connected characters as they all aim for their view of the same goal, to set things right.

**Graphical User Interface Design**

- Worked in a small team to aid in the development of a park residence manager for Midland Holding Corp by designing the GUI.

**Self-Published Writings:**

- Writing and editing short stories for self-publication on Medium.
